Accuris Broad Range RNA Quantification Kit, 100 Assays

SKU F1000-RBR-100 · Reagents & Kits · DNA/RNA Quantification Kits

The F1000-RBR-100 is the 100-assay Accuris Broad Range RNA Quantification Kit — the RNA-specific variant of the F1000 fluorometric quantification

TECHNICAL SPECIFICATIONS

CAPACITY

100 assays

PER-ASSAY COST

~\$1.35

SAMPLE TYPE

RNA (RNA-specific dye chemistry — does not bind dsDNA)

LIST PRICE

\$135.24

TYPE

Fluorometric quantification kit — Broad Range RNA

FORMAT

Standard concentrate (operator dilutes to working...)

ASSAY RANGE

Broad Range — typical RNA concentration range...
