SmartReader™ 96 Microplate Absorbance Reader , 115V

SKU MR9600 · Life Science · Microplate Readers

The MR9600 is the entry-level visible-spectrum microplate reader in the Accuris SmartReader line — designed for the 96-well-format absorbance assays

TECHNICAL SPECIFICATIONS

EUROPEAN POWER CONFIGURATION

Available upon request

DETECTOR

Photodiode

PLATE FORMAT

96-well (primary supported format)

WAVELENGTH RANGE

Visible spectrum (refer to current Accuris brochure for...)

WEIGHT

22 lb

POWER INPUT

115 V (MR9600) or 230 V (MR9600-E) — discrete variants

LIGHT SOURCE

Xenon flash lamp

MEASUREMENT MODE

Visible-spectrum absorbance

BANDWIDTH, ACCURACY

Per Accuris specification (consult brochure)

LIST PRICE

\$7,280.78
