Accuris SmartCheck™ Tri-Color Protein Marker, 13 Bands

SKU PR5013-TC · Reagents & Kits · PCR Reagents

The PR5013-TC is the Accuris SmartCheck Tri-Color Protein Marker — a pre-stained protein molecular-weight ladder with 13 reference bands spanning the

TECHNICAL SPECIFICATIONS

TYPE

Pre-stained protein molecular-weight marker — tri-color...

FORMULATION

Ready-to-use — direct-load on SDS-PAGE gel

STAIN FORMAT

Tri-color (three different stain colors across the 13...

STORAGE BUFFER

20 mM Tris-Phosphate, 2% SDS, 0.2 mM Dithiothreitol, 3.6...

RECOMMENDED LOAD

5 µL per well

LIST PRICE

\$191.90

RETURNS

Non-returnable — perishable reagent per Accuris...

PACK FORMAT

2 × 250 µL

CONCENTRATION

0.1 – 0.4 mg/mL

NUMBER OF BANDS

13 pre-stained protein standards

MOLECULAR-WEIGHT RANGE (BROCHURE)

5 – 245 kDa (universe label says 9–245 kDa — see...
