

LLS QUICK VIEW · YAMATO SCIENTIFIC

FMR-5S Smart Quant System , 96-Well Real-Time qPCR with 5-Second Detection

SKU FMR-5S · Life Science · Automated Nucleic Acid Extraction

The Yamato FMR-5S is the Smart Quant System, a high-speed, high-sensitivity 96-well real-time fluorescence quantitative PCR (qPCR) instrument for

TECHNICAL SPECIFICATIONS

PRODUCT

FMR-5S Smart Quant System (real-time qPCR)

INTEGRATION

Automation-ready

APPLICATIONS

Gene expression, genotyping, pathogen screening, CRISPR...

PLATE FORMAT

96-well

WEIGHT

128 lb

DISPLAY

12.1-inch HD touchscreen

SENSITIVITY

High-sensitivity fluorescence detection

OPTIMIZATION

Smart gradient optimization

DETECTION SPEED

5-second full-plate scanning

LIST PRICE

\$45,500.00
